Our Mission Statement

Vine Homecare & Staffing, Inc.'s mission is to provide quality home care assistance to patients of all ages with various needs while maintaining and promoting personal independence and dignity wherever our clients call home.

About Vine Homecare & Staffing, Inc.

Vine Homecare & Staffing is a home health care agency accredited by The Community Health Accreditation Partner (CHAP). Our agency is committed to helping our patients maintain safe, independent, and healthy lifestyles in their various homes and communities. Our chief focus is on offering an effective alternative to inpatient hospitalizations. We also offer hassle-free transitions from the hospital to your home.

Our staff is on call 24 hours a day, 7 days a week to help make sure the continuity of care and maintain your quality of life. At the same time, they work hard to promote your independence and recovery.

Services

We believe that home is the most ideal place for recovery. Therefore, we provide quality care to our patients in the comforts and security of their home. Our team will develop a personalized care plan that enables your loved ones to receive the right level of care and assistance they need. When you entrust your loved ones' well-being to us, you can expect nothing but first-rate, patient-centered care.

We offer the following services:

- ✔ Skilled Nursing
- ✔ Physical Assessments
- ✔ Mental Status Assessments
- ✔ Medication Management and Teaching
- ✔ Treatment Coordination
- ✔ Nutrition and Diet Education
- ✔ Physical Therapy
- ✔ Occupational Therapy
- ✔ Home Health Aides (HHA)
